## Services for Individuals

ProAct offers an array of programs and services for individuals with disabilities and other barriers to employment and community inclusion.

LEARN MORE

### EMPLOYMENT SERVICES

ProAct provides services and support to individuals who need employment services, job training and help in developing and enhancing their daily living skills.

### LIFE SKILLS TRAINING & DAY ACTIVITIES

Practical opportunities are provided for skill development through a variety of life experiences that foster independence and provide social and community participation. Our enriching social program includes art, music, and discussions, events for celebrations and community outings.

### PROACT FEATURES

The customized approach employed by the professional staff at ProAct offers encouragement and supportive guidance to all those receiving services.

### TRANSPORTATION

Transportation systems utilize specialized equipment to take individuals to and from facilities, community activities and job sites.

## Services for Businesses

ProAct provides area businesses with employees and a variety of business and production services to meet the needs of each individual employer. We are looking for the good match...where the work relationship benefits the individual and the employer.

LEARN MORE

### EMPLOYEES - INDIVIDUAL

ProAct works hard to match dedicated, positive employees with work that needs to be done in the community. ProAct provides the business community with employees that are focused, ready to work, take pride in being part of something and having a chance to make a contribution to their community.

### EMPLOYEES - GROUP

Employers in the community are able to contract with ProAct to have teams of qualified workers come to their facilities and perform a variety of tasks. With guidance and training, these participants are able to handle a wide range of activities in a variety of industries.

### PRODUCTION SERVICES

ProAct has long served the needs of its business customers, delivering high quality service and products in a timely manner. Understanding its customer needs, ProAct knows that manufacturers value inventory control, quality assurance, good customer service and competitive pricing.

### WORK COMP INJURIES

Many companies have found ProAct to be a helpful partner in assisting employees who have been injured recuperate and gradually resume their usual activities. At both the Eagan and Red Wing locations, employees of local companies who have been injured get back in the swing of things, while providing useful services for ProAct participants.

“To provide person-centered services that enhance the quality of life for people with disabilities in the areas of employment, life skills, and community inclusion.”

— PROACT MISSION STATEMENT
